RE: Greiner Travel Scholarship

The **Alyson L. Greiner Undergraduate Travel Scholarship** is presented to undergraduate Geography majors to defray costs associated with travel that supports their professional development, such as attending a major conference or conducting undergraduate research. Up to \$500 for qualifying travel expenses is available to recipients.

Interested students may apply by submitting a letter of travel intent (Word document via e-mail) to the Chair of the Geography Awards Committee by **4 PM on February 8** for consideration for the summer of 2019 or academic year 2019-2020. The letter should include an explicit statement of the approximate dates and duration of the trip, the destination, the purpose of the trip, and the extent to which the student feels the travel will enhance his or her education at OSU. Receipt of the funds will be contingent on the student actually making the trip, providing receipts upon her or his return, and submitting a one-page summary describing her or his accomplishments. Awards will be announced at the annual Department of Geography Awards Gathering on May 3, 2019.
