EDUCATION:

The University of Tennessee, Knoxville, Tennessee 37996
Doctor of Philosophy, 20 December 1992

University of Cincinnati, Cincinnati, Ohio 45221
Master of Arts, 22 August 1985

East Tennessee State University, Johnson City, Tennessee 37614
Bachelor of Science, Cum Laude, 7 December 1979

RESEARCH INTERESTS:

My research interests are focused on applied urban geography, especially the applications of location theories, migration models, and economic impacts of infrastructure and recreational facilities. Most of my work is grounded in the use of large databases and Geographic Information Systems to the application of investigating the questions at hand. From a regional perspective, my research focus is in North America, particularly the American South and the Great Plains.

COURSES TAUGHT:

World Regional Geography (GEOG2253-OSU)
Fundamentals of Geographic Information Systems (GEOG4203-OSU)
Urban Geography (GEOG3123-OSU)
Geography of the U.S. and Canada (GEOG3713-OSU)
Socioeconomic Applications: Geographic Information Systems (GEOG4353-OSU)
Sport, Place, and Society (GEOG4213-OSU)
Introduction to GIS Programming (GEOG4383-OSU)
Advanced GIS: Socioeconomic Applications (GEOG5353-OSU)
Enterprise GIS (GEOG5363-OSU)
Seminar in Urban Geography (GEOG6120-OSU)
Geographical Aspects of Urban Planning (GEOG4123-OSU)
Quantitative Methods in Geography (GEOG415-UTK)
Introductory Geographic Information Systems for Planners (PLAN591-UTK)

PROFESSIONAL HONORS:

Oklahoma State University, Stillwater, Oklahoma 74078
Outstanding Teacher, Department of Geography
1998, 2001, 2002, 2003, 2004, 2005
Regents Distinguished Teaching Award, 2004

ACADEMIC APPOINTMENTS:

Associate Professor (with tenure), July 2002 – Present

Assistant Professor (tenure-track) August 1996 – June 2002

Department of Geography

Oklahoma State University

Stillwater, Oklahoma 74078

Twelve hour teaching load per academic year, comprised of Urban Geography (Undergraduate), Introduction to GIS Programming, Urban Geography Seminar, Sport, Place, and Society, and Geographical Aspects of Urban Planning

Additional Assignments:

Coordinator, Instructional Laboratories and Geographic Techniques
August 2002 – Present

Coordinator, Oklahoma Center for Geospatial Information
January 2003 – June 2014

Coordinator of Graduate Studies
June 2007 – August 2010

Associate Graduate Advisor
August 2005 – May 2007

Coordinator, Certificate in Geographic Information Systems
January 1997 – August 2006

Faculty Advisor, Spatial and Environmental Information Clearinghouse
October 2000 – June 2001

Faculty Advisor, Center for the Applications of Remote
August 1996 – August 1999

Research Associate and Computer Science Data Administrator

July 1995 – June 1996

Pellissippi Research Group

Transportation Research Center

The University of Tennessee, Knoxville

Knoxville, Tennessee 37996

Adjunct Instructor

August 1989 – July 1993

Department of Geography

The University of Tennessee, Knoxville

Knoxville, Tennessee 37996

Systems Specialist

October 1984 – July 1993

Administrative Information Systems
